4) Adopt Resolution No. NS-30,486 amending the Local Coastal Program (LCP) Land Use Plan and the LCP Land Use Map;

5) Adopt Resolution No. NS-30,487 amending the Downtown Plan, which constitute LCP Implementation Plan (IP) amendments, with the following amendments to Chapter 4, Section K of the Downtown Plan;

- 14.a.i Option A: Bonus Floor Area Ratio (FAR).

  Up to 75% additional FAR on top of the base FAR, and up to an additional 75% in height not to exceed ~~145~~ 85 feet. Projects may choose to use some or all of any bonus for which they qualify.

- 14.a.ii Option B: Unlimited Floor Area Ratio (FAR).

  For development proposals that limit height to the height limits of the Downtown Plan (50, 70, 85 feet), excluding ~~noted~~ the exceptions to ~~the~~ height limits ~~as~~ consistent with the Downtown Plan in Chapter 4, Subsections J.1, J.3, J.6, J.16, or K.8 or SCMC Section 24.12.150 - Height Limit Modifications, elimination of the maximum FAR standard.

Public Hearings (continued)

23. Downtown Plan Expansion (PL) LOCATION: District 4 (continued)

MOTION (continued):

- 14.i.i.1:

  Special attention shall be paid to the structure to address issues such as massing, building shadows, transition to lower intensity uses, and skyline views from a distance. The upper-level tapering standards in Section K.5 above or similar approaches can be used as guidelines to address these issues. The Architectural Review Committee shall review proposals and provide recommendations as it relates to these objectives.

- 14.i.i.2:

  The tallest portion of the structures, measured to the top plate, shall be no more than ~~12~~ 8 stories and ~~145~~ 85 feet tall. Rooftop structures may exceed this height limit in accordance with the allowances established in SCMC Section 24.12.150 and in the Downtown Plan Chapter 4.

- 14.i.i.3:

  Based upon a request by the developer and a recommendation from the Planning Commission, the City Council may approve greater heights or stories in order to achieve superior building design, such as improved skyline aesthetics, enhanced rooftop access, improved solar access, or other similar features, as demonstrated at a public hearing and ~~when~~ approved by a majority of City Council. Structures using this discretionary provision to exceed the 85' height limit, unless otherwise expressly allowed in the Downtown Plan Chapter 4, Subsections J.1, J.3, J.6, J.16, or K.8 or in Santa Cruz Municipal Code Section 24.12.150, shall not allow for an additional story, shall be limited to architectural features that provide for improved skyline aesthetics, and shall comprise no more than 20% of the site area.

Public Hearings (continued)

23. Downtown Plan Expansion (PL) LOCATION: District 4 (continued)

MOTION (continued):

- 14.i.ii For sites utilizing Option B

  14.i.ii.2: Based upon a request by the developer and a recommendation from the Planning Commission, the City Council may approve greater heights or stories in order to achieve superior building design, ~~particularly in terms of~~ such as improved skyline aesthetics, enhanced rooftop access, improved solar access, or other similar features, as demonstrated at a public hearing and approved by a majority of City Council. Structures using this discretionary provision to exceed the 85' height limit, unless otherwise expressly allowed in the Downtown Plan Chapter 4, Subsections J.1, J.3, J.6, J.16, or K.8 or in Santa Cruz Municipal Code Section 24.12.150, shall not allow for an additional story, shall be limited to architectural features that provide for improved skyline aesthetics, and shall comprise no more than 20% of the site area.

- Approve the recommendations for Downtown Density Bonus options for on-site, off-site, land dedication, and in-lieu fee alternatives for the provision of affordable units with the following revisions to the in-lieu fee option and add Section 14.h.ii.2:

  In-lieu fees must be applied to preservation or development of at least as many affordable bedrooms as required by the market rate development and must be committed to projects that will preserve affordable housing or that will receive entitlement within five years of building permit issuance for the market rate project. The Council may extend the expenditure timeline at a formal Council meeting if extenuating circumstances exist.

6) Adopt Resolution No. NS-30,488 amending the Beach/South of Laurel Comprehensive Area Plan, which constitute LCP IP amendments; and
